Message from our Board President

I am honored to be the President of the Board of Directors for Feeding America, Kentucky’s Heartland (FAKH). I first became a member of the board in July 1998 and served as Chairman from July 1999 until June 2002. Returning to the board in May 2013, I was elected in January 2015 to follow the outgoing President of the Board, Larry Mengel, who did an excellent job during his tenure. We are pleased to have had such a wonderful group of dedicated and devoted citizens of the community serving on our board during the past year. They have wholeheartedly addressed the challenges of the past year and provided the leadership that continued to take FAKH to new heights. It is my opinion that FAKH is indeed blessed to have such faithful and knowledgeable volunteers on its board.

The ancient Greek story teller Aesop said “no act of kindness, no matter how small, is ever wasted.” FAKH’s vision is “No one will go to bed hungry in our service area”. What greater act of kindness can there be than feeding the hungry? A great deal has changed since the early 1980’s when FAKH originated in Hardin County under another name. Now FAKH services 42 Kentucky counties. Thousands of needy families are fed due to the philanthropic work of hundreds of volunteers in all the agencies with whom we are connected. FAKH now has not only a wonderful main warehouse building but also an incredible Volunteer Center where the good people of our area can come and work to pack food for the elderly, the needy, and FAKH’s Backpack Program for children. None of the work would be possible without the superb staff at FAKH. They constantly strive to improve upon how we serve those in need.

I cannot tell you how much we appreciate all the volunteers who give of their time and the many good folks who open their hearts and their checkbooks to support FAKH financially. Thank God for all of you.

Jim Weise
Board President
Letter From Our Executive Director

I am pleased to present our annual report highlighting the many accomplishments and challenges from our fiscal year July 2014- June’15. I know you will be impressed by the number of pounds, volunteer support and even our balanced budget, but what should impress you most is the number of at risk families and children we continue to feed in an efficient and effective manner and ensuring that no one goes hungry throughout our service area.

Our entire team of volunteers, staff and board work hard at making sure we do our part to feed at risk families of the 42 Kentucky counties in our service area. Just to name a few of our notable achievements over the past year, our BackPack Program is still one of the biggest and best in the nation serving 5,950 school kids each week; our Purchasing Coop continues to expand; our Senior Commodity Program continues to reach over 5,400 of our elderly neighbors, and our distribution of healthy fresh produce on our Mobile Food Pantry as part of the Farms to Food Banks Program continues to help thousands of families in all our counties.

Our accomplishments would not be possible without the many kind and generous gifts of time and funding from our friends in the community. Volunteerism is at an all time high with over 24,960 hours worked by 3,877 volunteers during the past fiscal year and our investment in fundraising thru direct mail continues to show increasing returns. Our Volunteer Center staff continues to work hard to make sure every visit to the Volunteer Center is a positive and pleasing experience for each and every volunteer and group who visit us.

Our Annual Report would not be complete without mentioning some of the challenges the food bank faced this past year. Continued decline in national food donations, a tough growing season for produce and vegetables and higher than normal maintenance and repair costs on our trucks, freezers and cooler kept us busy looking for additional food and funding sources. Even with these challenges we continue to take satisfaction in all that we have accomplished and know that we are making a big difference and bringing smiles to the clients we and our agencies serve. In far too many cases, when our truck shows up at a distribution, it will be the only sign of hope many of these families will see all month.

On that note and with that focus I hope you enjoy this Annual Report. You can be proud that we are making a difference in the lives of our friends and neighbors in the central, south central and western parts of Kentucky. I am thankful for the many blessings we have and that we are able to share them with others. You can count on our hardworking staff and board to continue to expand our critically important mission and I hope you join us in celebrating another year of feeding the hungry.

Gary Miles
Executive Director
FAKHH Programs

Donated Food / Grocery Distribution
Serve as the donated food and grocery provider for 207 charities in 42 Kentucky counties

Emergency Food Assistance Program
Distribute government commodity foods through our member agency network for distribution to those in need

Commodity Supplemental Food Program
Distribute a monthly supplemental food package to 5,423 income eligible seniors throughout our service area

BackPack Program
Partner with county coordinating agencies and school systems to provide children in need with a bag of 8-12 take home food items on the weekends when school meals are unavailable

Mobile Food Pantry Program
Directly distribute fresh foods, produce and other foods within our service area

Disaster Relief
In the event of a disaster, partner with American Red Cross, Salvation Army and emergency services to satisfy emergency food needs
Program Accomplishments

1. Distributed 14,165,458 lbs. of food and grocery items (donated, government and purchased) to 207 member non-profit charitable organizations to feed those in need in 42 Kentucky counties.
2. Efficiently distributed product at just 10 cents/lb.
3. Provide emergency food to approximately 174,500 Kentuckians per year.
4. Distributed 182,017 BackPack food bags to approximately 5,950 at-risk school children in 35 Kentucky counties.
5. Distributed 64,474 boxes of commodity foods to low-income seniors.
6. Retrieved and re-distributed 4,251,289 lbs. of unsalable product through Retail Store Pick-Up Program.
7. A total of 3,877 volunteers donated approximately 24,960 hours packaging foods at the FAKH Volunteer Center and assisting in community food distributions.
