## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Feeding America, Kentucky's Heartland, Inc.

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of Feeding America, Kentucky's Heartland, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Feeding America, Kentucky's Heartland, Inc. as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Feeding America, Kentucky's Heartland, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Change in Accounting Principle***

As discussed in Note 20 to the financial statements, in fiscal year ended June 30, 2022, the Agency adopted various new accounting guidance that had no financial statement effect. Our opinion is not modified with respect to these matters.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Feeding America, Kentucky's Heartland, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

***Auditor's Responsibility for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Feeding America, Kentucky's Heartland, Inc.'s internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Feeding America, Kentucky's Heartland, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

To the Board of Directors  
Feeding America, Kentucky's Heartland, Inc.  
December 22, 2022  
Page 3 of 3

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 22, 2022, on our consideration of Feeding America, Kentucky's Heartland, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Feeding America, Kentucky's Heartland, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Feeding America, Kentucky's Heartland, Inc.'s internal control over financial reporting and compliance.

**FEEDING AMERICA, KENTUCKY'S HEARTLAND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**JUNE 30, 2022**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

This summary of the significant accounting policies of Feeding America, Kentucky's Heartland, Inc. (FAKH), is presented to assist in understanding the financial statements. The financial statements and notes are representations of the management of FAKH who is responsible for statements and notes are representations of the management of FAKH who is responsible for their integrity and objectivity. These accounting principles and have been consistently applied in the preparation of the financial statements.

**Nature of Activities**

Feeding America, Kentucky's Heartland, Inc. formerly known as America's Second Harvest of Kentucky's Heartland, Inc. is a Kentucky nonprofit organization and a certified member of Feeding America. The mission of FAKH is to serve those in need by acquiring and distributing donated food, grocery items and government commodities through our member network of 250 nonprofit partner agencies in 42 Kentucky counties.

**Basis of Accounting**

The financial statements of FAKH have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The Financial Accounting Standards Board Accounting Standards Codification (ASC) is the sole source of authoritative GAAP. Accordingly, revenues and gains are recognized when they are earned, and expenses and losses are recognized when they are incurred.

**Financial Statement Presentation**

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-225-45, formerly FASB Statement of Financial Accounting Standards (SFAS) NO. 117, *Financial Statements of Not-for-Profit Organizations* and ASU 2016-14. The organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Cash and Cash Equivalents**

Cash and cash equivalents consist of cash held in a checking account and certificate of deposits with original maturities of 90 days or less. Certificates of deposit are considered to be cash if interest penalties for early withdrawal are not material. The Organization maintains its cash and cash equivalents in bank deposit accounts which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. Management believes it is not exposed to any significant risk of loss on deposit accounts.

**FEEDING AMERICA, KENTUCKY'S HEARTLAND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS, CONTINUED**  
**JUNE 30, 2022**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Investments**

Investments in marketable securities and certificates of deposit are reported at fair value. Investment income or loss (including gains and losses on investments, interest, and dividends) is included in the statement of activities as an increase or decrease in unrestricted net assets unless the income or loss is restricted by donor or law. Investments that are held in brokerage accounts are protected by the SIPC in the event of broker-dealer failure, up to \$500,000 of protection for each brokerage account with a limit of \$250,000 for claims of uninvested cash balances. The insurance does not protect against market losses on investments.

**Accounts Receivable**

Accounts receivables are recorded at net invoice amounts. FAKH generally does not require collateral and does not accrue interest on accounts receivable. A receivable is considered past due if payment has not been received within the stated terms. When applicable, FAKH provides an allowance for doubtful accounts or other receivables based on historical collection experience and a review of the status of existing receivables. The allowance represents an amount, which, in management's judgement, will be adequate to absorb future losses on existing receivables that may become uncollectible. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to the receivable. No allowance for doubtful accounts or other receivables is reflected on the accompanying combined financial statements as of and for the years ended June 30, 2022. Management considers all accounts and other receivables to be fully collectible.

**Grants Receivable**

Grants receivables relate to the two federal grant programs from the U.S Department of Agriculture that are passed through the Kentucky Department of Agriculture's Division of Food Distribution to FAKH. As FAKH incurs allowable direct and indirect costs for administering the Emergency Food Assistance Program (TEFAP) and the Commodity Supplemental Food Program (CSFP), reimbursement requests are submitted to the Division of Food Distribution for approval. Grants receivable as of June 30, 2022 relate to unreimbursed allowable distribution and administrative expenses incurred in the respective fiscal years. Grants receivable is stated at the amounts deemed to be collectible at that time based on all information available and collection experience. Accordingly, no provision for grants receivable has been recorded.

**Promises to Give**

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported in contributions without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported net assets with donor restrictions. When a restriction expires, net assets are reclassified to net assets without donor restrictions. The organization uses the allowance method to determine uncollectible unconditional promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

**FEEDING AMERICA, KENTUCKY'S HEARTLAND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS, CONTINUED**  
**JUNE 30, 2022**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Inventory**

On December 2, 2017, the USDA issued a policy memorandum providing updated guidance on assigning value to USDA product. The memorandum allowed for the use of fair market value (FMV), USDA purchase price, estimated cost-per-pound data provided by USDA, or USDA commodity file cost as of a date specified by the distributing agency. The USDA document references a food bank's FMV valuation as an acceptable valuation. Feeding America Product Valuation Survey is fully permitted under these guidelines. Feeding America, Kentucky's Heartland, Inc. adopted the FMV method of assigning value to its USDA product for fiscal year 2010. The valuation for USDA commodities received during the year ended June 30, 2022 was \$1.53 per pound.

Purchased food inventory is recorded at average cost at the lower of cost or market. Donated food inventory is recorded at the national food rate for year ended June 30, 2022, of \$1.92 per pound. Inventory is maintained on a first-in, first out basis.

**Property and Equipment**

Expenditures for property and equipment are capitalized at cost for items costing \$2,500 and having a useful life greater than one year. Donated assets are capitalized at their fair market value on the date of the gift. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. Depreciation is computed on the straight-line method over the estimated useful lives of the assets, which range from 5 to 40 years.

**Revenue Recognition**

The Organization recognizes support and revenue on the accrual basis of accounting. Revenue from cost reimbursement grants, performance grants, and program fees are recognized as revenue in the period in which the costs are incurred and the service is provided.

**Contributions**

Contributions received are recorded as increases in net assets without donor restrictions or net asset with donor restrictions depending on the existence and/or nature of any donor restrictions. When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. In the absence of donor restrictions to the contrary, restrictions on contributions of property or equipment or on assets restricted to acquiring property or equipment expire when the property or equipment is placed in service.

**FEEDING AMERICA, KENTUCKY'S HEARTLAND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS, CONTINUED**  
**JUNE 30, 2022**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Contributed Services**

Donated services are recognized as contributors if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by FAKH. No amounts are recorded for the volunteers who have donated their time to the Food Bank throughout the year since the recognition criterion is not met.

The organization benefits from volunteer services and donations of food. The in-kind donations for volunteer services that are part of day-to-day operations are for those services that do not require special expertise and therefore the estimated value of these services has not been included in the financial statements. Total in-kind donations for volunteer service were \$77,764 for the year ended June 30, 2022. The amounts are based on volunteer hours and the federal minimum wage.

**Income Taxes**

The organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

Generally accepted accounting principles require an organization to account for uncertainties in income taxes. The interpretation requires recognition and measurement of uncertain income tax positions using a “more-likely-than-not” approach.

**Freight Costs**

Freight costs, the costs associated with having donated and purchased food delivered to its warehouse, are expensed by FAKH as incurred.

**Shared Maintenance Revenue**

Feeding America, Kentucky's Heartland, Inc. charges from 0 – 19 cents per pound to the recipient agencies which take the donated food and redistributes such items to the poor, needy, and hungry. The fee is to offset a portion of the receiving, storage, and distribution costs incurred by Feeding America, Kentucky's Heartland, Inc.

**Functional Allocation of Expenses**

The costs of providing various programs and other activities are summarized on a functional basis in the accompanying statement of activities and changes in net assets. Directly identifiable expenses are charged to the applicable programs and supporting services. Expenses related to more than one function are allocated among the programs and supporting services benefited. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of FAKH.

**Subsequent Events**

The organization has evaluated subsequent events through December 22, 2022, the date which the financial statements were available to be issued.

**FEEDING AMERICA, KENTUCKY'S HEARTLAND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS, CONTINUED**  
**JUNE 30, 2022**

**NOTE 2 – CASH AND CASH EQUIVALENTS**

Purchased Product	2,902,744	2,514,190
USDA Commodities	12,741,258	7,722,844
Total Additions	<u>23,092,251</u>	<u>14,402,643</u>
Distributions		
Donated Product	7,216,991	4,167,131
Purchased Product	3,131,355	2,729,163
USDA Commodities	13,133,816	7,937,025
Total Distributions	<u>23,482,162</u>	<u>14,833,319</u>
Inventory, End of Year	<u>\$ 2,385,851</u>	<u>1,418,602</u>

The approximate average wholesale value of one pound of donated food (non-USDA) at the national level was determined by Feeding America to be \$1.92 for 2022. Revenue from donated food received (non-USDA), as well as the related value of donated food distributed and the value of undistributed food inventory as of June 30, 2022, are estimated by valuing the number of pounds at \$1.92 per pound.

Commodities received under TEFAP are designated for non-profit agencies serving low income families and individuals through their emergency meal and pantry programs. The CSFP provides a monthly box of nutritious food products to eligible seniors, pregnant or post-partum women, children, and infants. Both programs are administered at the state level by the Kentucky Department of Agriculture Division of Food Distribution (The Division). The valuation for USDA commodities received during the year ended June 30, 2022 was \$1.53 per pound.

Each month the Division compensates FAKH for the distribution of these products based on the number of pounds of food distributed (TEFAP) or the number of recipients served (CSFP). These payments are reflected within program service fees on the accompanying statement of activities and change in net assets (within revenues, gains, and other support).

**FEEDING AMERICA, KENTUCKY'S HEARTLAND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS, CONTINUED**  
**JUNE 30, 2022**

**NOTE 6 – PROPERTY AND EQUIPMENT**

A summary of property, equipment, and accumulated depreciation as of June 30 is as follows:

Land	\$ 89,000
Construction in Progress	41,339
Buildings and Improvements	2,176,538
Furniture and Equipment	962,023
Vehicles	<u>907,623</u>
Total Property and Equipment	4,176,523
Less: Accumulated Depreciation	<u>(2,028,520)</u>
Net Property and Equipment	<u>\$ 2,148,003</u>

**NOTE 7 – LONG-TERM INVESTMENTS – ENDOWMENT FUND**

FAKH's investment policy's primary objective is the long-term growth of principal and preservation of purchasing power. The investment portfolio is structured and maintained with the secondary objective of maximizing current income as well as stability of principal through a diversified mix of equity, fixed income, and alternative investments to supplement the cash flows of FAKH.

The fair value of investments as of June 30, 2022, was as follows:

	<u>Fair Value</u>	<u>Cost</u>
Endowment Fund	\$ 88,493	\$ 86,495

Net investments income for the year ended June 30, 2022 was as follows:

Interest and Dividends, net of Investment	
Expenses of \$1,614	\$ 675
Net Unrealized Gains (Losses)	<u>(20,728)</u>
	<u>\$ (20,053)</u>

Net assets with donor restrictions at June 30, 2022 include an endowment fund established in 2016 with the Central Kentucky Community Foundation (CKCF) to support the mission of Feeding America, Kentucky's Heartland, Inc. The funds established through irrevocable contributions of \$6,000 from FAKH and \$1,000 from CKCF to the fund during fiscal year 2016. An additional \$3,000 was contributed by FAKH for the year ending June 30, 2018. Then during the years ended June 30, 2021 and 2020 contributions were \$1,222 and \$70,388. During year ended June 30, 2022 no contributions were made. Contributions to the endowment fund are subject to donor restrictions that stipulate the original principal of contributions to be held and invested by CKCF indefinitely and income from the fund is to be expended for FAKH's program services. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

**FEEDING AMERICA, KENTUCKY'S HEARTLAND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS, CONTINUED**  
**JUNE 30, 2022**

**NOTE 7 – LONG-TERM INVESTMENTS – ENDOWMENT FUND, CONTINUED**

FAKH has interpreted the Kentucky Prudent Management of Institutional Funds Act (KPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (1) the original value of gifts donated to the permanent endowment, (2) the original value of subsequent gifts to the permanent endowment, and (3) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In accordance KPMIFA, FAKH considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from the income and appreciation of investments, (6) other resources of FAKH, and (7) the CKCF's investment policies.

The Organization has adopted investment and spending policies for the endowment assets that attempt to subject the fund to low investment risk and provide its programs with current income. Endowment assets are invested in accordance with policies established by the Central Kentucky Community Foundation. FAKH seeks to build endowment assets through additional contributions. The Fund is administered by CKCF as a designated Endowment Fund. The Fund is intended to be and shall be administered as a component part of CKCF under Treasury Regulation Section 1.1701A-9(e)(11) and is specifically subject to the powers of the CKCF Board of Directors. Such powers include the power to unilaterally modify any restriction or condition of the Fund in the event such restriction or condition becomes in effect, unnecessary, obsolete, incapable of fulfillment, or inconsistent with the charitable needs of the community or area served, with any modification being as consistent as reasonably possible with the charitable intent of the donor. The only distributions from the fund shall be in accordance with CKCF's distribution policy; no other distributions from the fund will be considered or permitted.

The composition of endowment net assets for this fund and the changes in endowment net assets as of June 30, 2022 are as follows:

Endowment net assets, beginning of the year	\$ 108,546
Contributions	-
Investment Income	675
Net appreciation (depreciation)	(20,728)
Amounts appropriated for expenditure	-
Endowment net assets, end of year	<u>\$ 88,493</u>

**FEEDING AMERICA, KENTUCKY'S HEARTLAND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS, CONTINUED**  
**JUNE 30, 2022**

**NOTE 8 – NOTES PAYABLE**

On May 26, 2022, the Organization signed a promissory note for \$474,892 for construction of an office addition. This note has a variable rate starting with 3.49% with interest only payments to begin on June 26, 2022. Principal payments are to begin December 26, 2022. At June 30, 2022, the balance of the notes payable was \$41,339 as only one draw had been made on the note.

**NOTE 9 – NET ASSETS WITH DONOR RESTRICTIONS**

Net assets include commodities, gifts, or grants for which donor imposed purpose restrictions have not been met as of year-end. Net assets with donor restrictions as of June 30, 2022 consist of various grants restricted for certain program services and other purposes as follows:

Endowment funds	\$ 88,493
Anthem and United Way produce	169,521
Backpack program	744,360
USDA commodities (CSFP)	1,160,081
USDA commodities (TEFAP)	165,390
	<u>\$ 2,327,845</u>

**NOTE 10 – FAIR VALUE MEASUREMENTS**

FASB ASC 820 specifies a hierarchy of valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (observable inputs). In accordance with FASB ASC 820, the following summarizes the fair value hierarchy:

- Level 1 Inputs - Quoted prices for identical assets and liabilities in active markets.
- Level 2 Inputs - Observable inputs other than Level 1 prices, such as quoted prices for similar assets and liabilities, quoted prices in inactive markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 Inputs - Inputs based on prices or valuation techniques that are both unobservable and significant to the overall fair value measurements.

Fair values of assets measured on a recurring basis at June 30, 2022 is as follows:

		Fair value measurements at the report date using:	
		Quoted prices in active market for identical assets (Level 1)	Significant other observable inputs (Level 2)
June 30, 2022	Fair Value		
Endowment fund	\$ 88,493	\$ -	\$ 88,493

Valuation techniques used in fair value measurement need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**FEEDING AMERICA, KENTUCKY'S HEARTLAND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS, CONTINUED**  
**JUNE 30, 2022**

**NOTE 10 – FAIR VALUE MEASUREMENTS, CONTINUED**

Following is a description of the valuation methodologies used for assets measured at fair value.

The endowment fund is valued in accordance with the policies of the Central Kentucky Community Foundation which uses observable market data for the underlying assets of the funds investments. However, since there is no active market for the funds held by FAKH in the name of CKCF, the fund is classified as level 2.

There have been no changes in the methodologies used at June 30, 2022.

**NOTE 11 – LIQUIDITY AND FUNDS AVAILABLE**

The following table reflects the Organization's financial assets as of June 30, 2022, reduced by amounts not available for general expenditure within one year. Financial assets are considered unavailable when illiquid or not convertible to cash within one year, or because the governing board has set aside the funds for a specific contingency reserve or a long-term investment. These board designations could be drawn upon if the board approves that action.

Financial Assets:

Cash and Cash Equivalents	\$ 5,816,961
Unconditional Promises to Give	169,522
Accounts Receivable	74,481
Grants Receivable	<u>319,442</u>
Total Financial Assets Available Within One Year	6,380,406
Board Designated Reserves Based on Six Month Operating Budget	<u>(1,810,686)</u>
Financial Assets Available to Meet Cash Needs for General Expenditures Within One Year	<u>\$ 4,569,720</u>

**NOTE 12 – ADVERTISING COSTS**

The Organization uses advertising to promote its programs among the communities it serves. Advertising costs are expensed as incurred. Advertising expense is included in the development and training cost. Development and training cost for the year ended June 30, 2022 was \$151,600.

**NOTE 13 – RETIREMENT**

The Organization maintains a retirement plan that allows all eligible employees to defer a portion of their compensation. The Organization matches all employee contributions up to 3% of compensation. Retirement plan expense for the year ended June 30, 2022 was \$16,300.

**FEEDING AMERICA, KENTUCKY'S HEARTLAND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS, CONTINUED**  
**JUNE 30, 2022**

**NOTE 14 – COMMITMENTS AND CONTIGENCIES**

Reimbursement claims under federal and state program grants are subject to audit and adjustment by grantor agencies. Any disallowed claims might become a liability of the Organization. The Organization is aware of no communications from granting agencies regarding the lack of compliance with grant conditions that could result in a liability.

The Organization has various operating leases for equipment. Monthly payments range from \$40 to \$1,919 with lease terms ranging from two to six years. Future minimum lease payments required under these non-cancelable operating leases are as follows:

2023	\$	30,207
2024		14,855
2025		14,855
2026		2,716
2027		-
	\$	<u>62,633</u>

**NOTE 15 – CONCENTRATION**

The Organization received 46% of total revenue from the Kentucky Department of Agriculture (USDA pass-through grants) for the year ended June 30, 2022. The Organization received 53% of its donated inventory from the Kentucky Department of Agriculture (USDA pass-through grants) for the year ending June 30, 2022.

The organization maintains cash balances at multiple financial institutions and credit unions in excess of the amount insured by the Federal Deposit Insurance Corporation (FDIC) and the National Credit Union Administration (NCUA) of \$250,000. During the year ended June 30, 2022, the organization's cash balances reached as high as \$7,850,813, of which \$6,600,813 was not insured. After June 30, 2022, management has obtained from the banks insurance to cover amounts above FDIC limits.

**NOTE 16 – PAYMENTS TO AFFILIATE**

In accordance with the affiliation agreement between Feeding America and the Organization, the Organization pays fees based on total poundage of food received from Feeding America. Affiliation payments for the year ended June 30, 2022 was \$12,264. There was also \$9,078 in payment to Feeding America Kentucky during year ended June 30, 2022.

**FEEDING AMERICA, KENTUCKY’S HEARTLAND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS, CONTINUED**  
**JUNE 30, 2022**

**NOTE 17 – EXPENSE ALLOCATIONS**

Expenses have been allocated to their financial categories using specific identification for items that clearly apply to a functional category. Expenses relating to multiple functional categories are allocated based on percentage of time spent on the activity. The total percentages of expenses in each functional category for the years ended June 30, 2022 are as follows:

Program Expenses	98.49%
Mangement and General Expenses	0.80%
Fundraising Expenses	0.71%
	<hr/>
	100.00%
	<hr/> <hr/>

**NOTE 18 – COVID-19 IMPACT ON OPERATIONS**

On January 31, 2020, the U.S. Department of Health and Human Services declared a public health emergency for the COVID-19 virus. On March 6, 2020, the Kentucky Governor declared a state of emergency as a result of the COVID-19 virus. On March 25, 2020, the Governor issued an executive order closing all businesses that are not life sustaining by March 26, 2020. The result of these events was an unstable economic environment that resulted in significantly higher unemployment and uncertain economic conditions for the future. The result was a greater need for the Organization’s services in the area it serves. The Organization received an atypical amount of donated food, monetary donations, and grants from individuals, businesses, and governments. These factors led to the Organization ending the fiscal year with more assets and recording more revenues and expenses than prior years. As the COVID-19 virus continues to impact the economy of the area served, the Organization could continue to have financial results, both positive and negative, that are not typical of its historical results.

**NOTE 19 – TORNADO DISASTER RELIEF**

Eight tornadoes hit Kentucky in December 2021 killing 80 people and injuring over 500 residents. Fifteen of the 16 counties that sustained severe damage and were declared natural disaster areas by FEMA were in the Feeding America, Kentucky’s Heartland’s service area. The Organization received an atypical amount of Tornado Relief/Recovery monetary donations and grants in the amount of \$4,467,322 and donated food. This natural disaster resulted in a greater need for services in the affected areas. This resulted in the Organization ending the fiscal year with more financial liabilities and recording more revenue and expenses than prior years. As tornado recovery efforts continue, the Organization could continue to have financial results, both positive and negative, that are not typical of its historical results. At June 30, 2022, the organization had \$1,876,967 in funds still available to those counties.

**FEEDING AMERICA, KENTUCKY'S HEARTLAND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS, CONTINUED**  
**JUNE 30, 2022**

**NOTE 20 – CHANGE IN ACCOUNTING PRINCIPLES**

For the fiscal year ended June 30, 2022, the Agency implemented Accounting Standards Update (ASU) 2020-07, *Presentation and Disclosures for Not-for-Profit Entities for Contributed Nonfinancial Assets*. This guidance requires new presentation and disclosure for gift-in-kind donations to improve transparency on how those assets are used and valued. The new guidance requires the Agency to recognize in-kind donations (like other contributions) at the federal rate per pound. Since this is how the Agency had already recorded the in-kind donations received, there was no financial statement impact with the implementation.

The following accounting standards were also implemented by the Agency. The Agency has assessed the new standards and has determined that there was no financial statement impact.

ASU 2017-12 Targeted Improvements to Accounting for Hedging Activities

ASU 2018-15 Customer's Accounting for Implementation Costs Incurred in a Cloud Computing Arrangement That is a Service Contract

ASU 2018-16 Inclusion of the Secured Overnight Financing Rate (SOFR) Overnight Index Swap (OIS) Rate as a Benchmark Interest Rate for Hedge Accounting Purposes

ASU 2018-17 Consolidation (Topic 810): Targeted Improvements to Related Party Guidance for Variable Interest Entities

ASU 2018-18 Collaborative Arrangements (Topic 808), Clarifying the Interaction between Topic 808 and Topic 606

ASU 2019-02 Improvements to Accounting for Costs of Films and License Agreements for Program Materials

ASU 2021-01 Reference Rate Reform

ASU 2021-02 Franchisors - Revenue from Contracts with Customers (Subtopic 952-606), Practical Expedient

**FEEDING AMERICA, KENTUCKY'S HEARTLAND, INC.**  
**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**  
**JUNE 30, 2022**

**NOTE 1 – GENERAL**

The accompanying Schedule of Expenditures of Federal Awards presents the activity of all federal assistance programs of Feeding America, Kentucky's Heartland, Inc. (Feeding America). Feeding America reporting entity is defined in Note 1 to Feeding America's financial statements. All federal financial assistance was received directly from federal agencies unless specifically noted on the schedule.

The grant revenue amounts received and expensed are subject to audit and adjustment. If any expenditures are disallowed by the grantor as a result of such audit, any claim for reimbursement to the grantor would become a liability of Feeding America, Kentucky's Heartland, Inc. In the opinion of management, all grant expenditures are in compliance with the terms of the grant agreements and applicable federal laws and regulation.

**NOTE 2 – BASIS OF PRESENTATION**

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of Feeding America and is presented on the accrual basis of accounting. The amount of federal awards reflects the amount of cash received, which is the grantor's method of accounting.

**NOTE 3 – FOOD DISTRIBUTION**

The value of USDA food commodities received during the year was estimated by Feeding America and the USDA. The value of USDA food commodities distributed during the year includes amounts held in inventory at the beginning of the year. As of June 30, 2022, Feeding America had an inventory of USDA commodities of \$1,325,471.

**NOTE 4 – INDIRECT COST RATE**

Feeding America has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT  
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of  
Feeding America, Kentucky's Heartland, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Feeding America, Kentucky's Heartland, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 22, 2022.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Feeding America, Kentucky's Heartland, Inc.'s internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Feeding America, Kentucky's Heartland, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors  
Feeding America, Kentucky's Heartland, Inc.  
December 22, 2022

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Feeding America, Kentucky's Heartland, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

*Calhoun & Company*

Hopkinsville, Kentucky  
December 22, 2022

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH  
MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER  
COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE**

To the Board of Directors  
Feeding America, Kentucky's Heartland, Inc.

**Report on Compliance for Each Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited Feeding America, Kentucky's Heartland, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Feeding America, Kentucky's Heartland, Inc.'s major federal programs for the year ended June 30, 2022. Feeding America, Kentucky's Heartland, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Feeding America, Kentucky's Heartland, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Feeding America, Kentucky's Heartland, Inc. and to meet our ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Feeding America, Kentucky's Heartland, Inc.'s compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Feeding America, Kentucky's Heartland, Inc.'s federal programs.

### ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Feeding America, Kentucky's Heartland, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Feeding America, Kentucky's Heartland, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Feeding America, Kentucky's Heartland, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of Feeding America, Kentucky's Heartland, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Feeding America, Kentucky's Heartland, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control Over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over

To the Board of Directors  
Feeding America, Kentucky's Heartland, Inc.  
December 22, 2022  
Page 3 of 3

compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
